**THIS MATTER** is before the Court on the Government’s Motion for Mandatory Victim Restitution and for a Ninety Day Extension to Determine Final Restitution. It appears that the prerequisites for the Mandatory Victim Restitution Act, 18 U.S.C. 3663A(c)(1), are met here, and that more time is needed to adequately establish the appropriate restitutionary claims and amounts.

Signed: June 28, 2006

Graham C. Tucker
